

QLEM[®]

Go Digitally, Tap Your Profile

Managed By
Pixigo Innovation Private Limited

About us

Qlem is a digital business card solution that leverages the latest NFC (Near Field Communication) technology. It allows users to share their contact details and social media profiles instantly by simply tapping their phone on a compatible device.

Company Overview

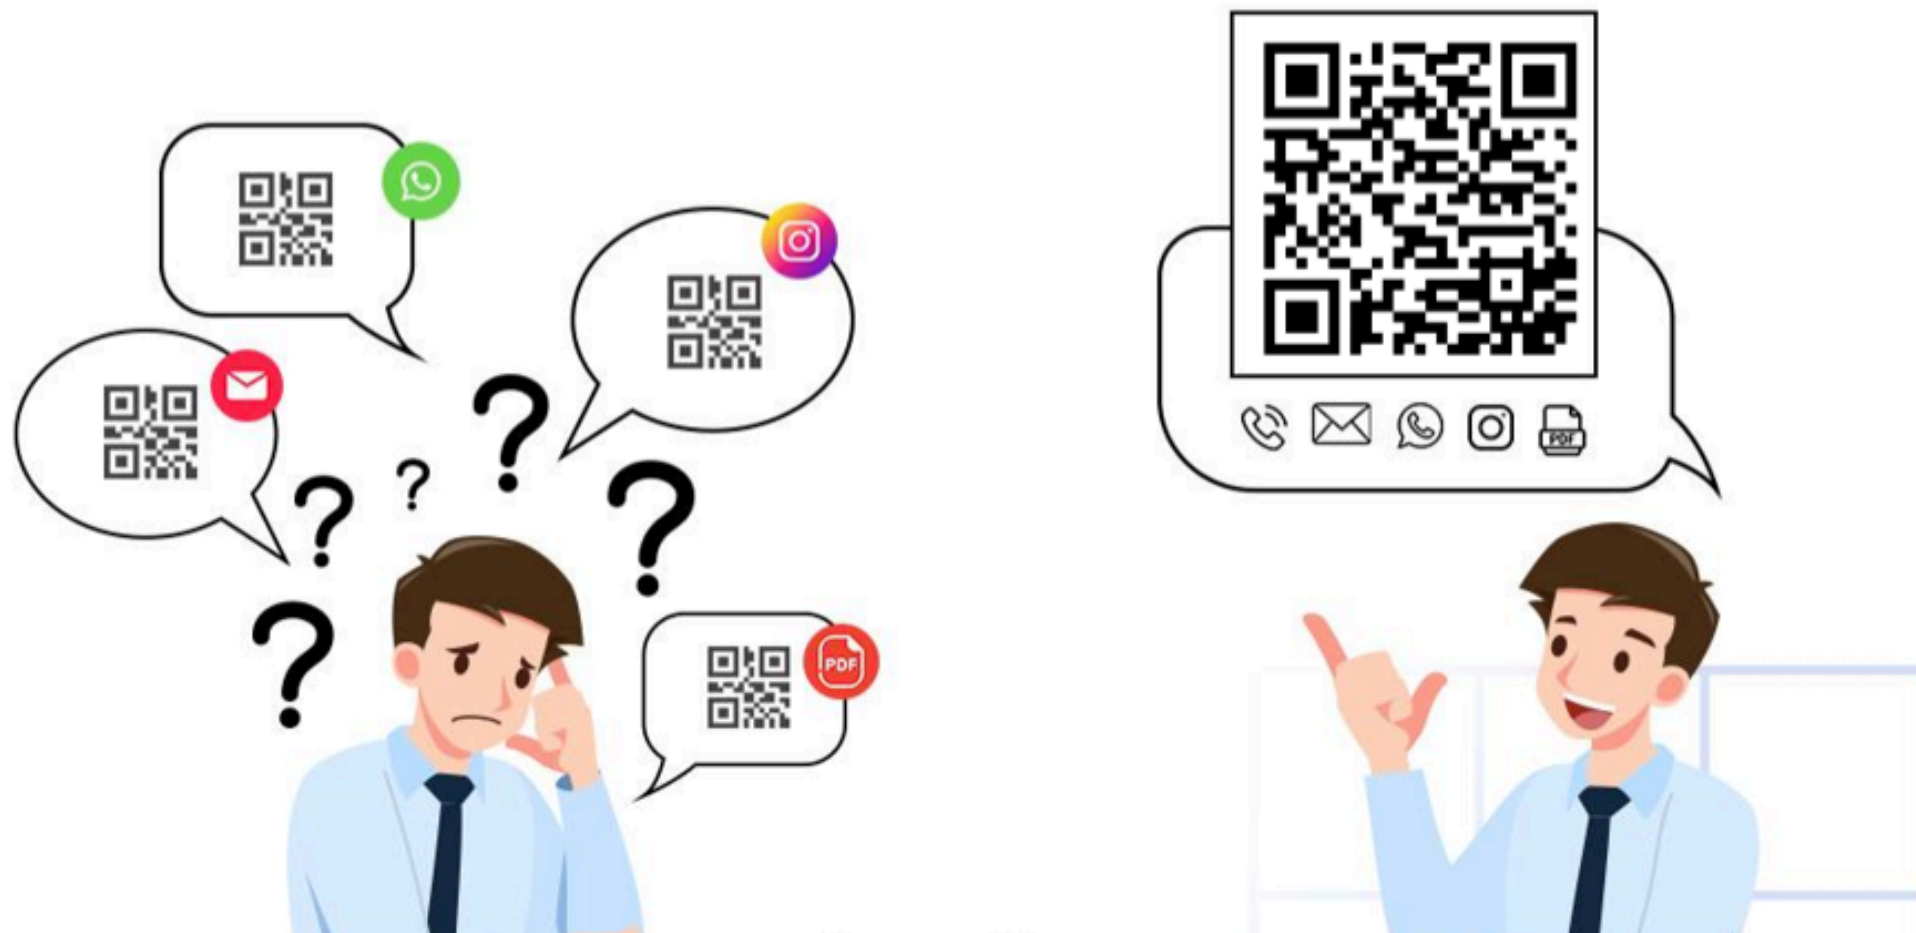

Qlem's mission is to reduce paper waste while making networking efficient and impressive. So, tap to connect, tap for progress, and embrace the future with Qlem!
